HOPE Comes on Horseback

The Knights of Columbus' Annual Tootsie Roll Drive: Operation HOPE, added a new charity to their list of supported programs this year. The Council raises funds each fall to help out non-profits that serve local individuals with developmental disabilities.

"LOVE for Therapeutic Riding" located on St. Helena Island offers incredible hands-on experiences, lessons and coaching - all in the loving and capable hands of Director, Denise Bishop and her wonderfully well-trained staff and volunteers. "Watching the interaction between the student and the horse – lovingly surrounded by a team of supporters – was truly inspiring." said Terry Buquet, Deputy Grand Knight of the Michael O'Connor Council, "It is obvious this money will do exactly what our donors wanted – bring hope and happiness to our neighbors with special needs."
