Dear Friends and Neighbors,

Love for Therapeutic Riding is a 501 c (3) Non-profit Organization, who is dedicated to making a difference in our community. With your help you can help us provide the highest quality programs that benefit all residents with mental and/or physical disabilities. We use a unique approach to physical emotional and recreational therapy through horseback riding. Our certified instructors and dedicated volunteers along with specially trained horses enable riders to benefit from alternate therapeutic techniques.

Our center currently serves 3 riders weekly! All are progressing wonderfully towards their individual goals. If smiles and giggles are indicators of success then you can see and hear them daily.

We are positioning to increase our clientele. Many factors will need to be considered for us to grow. Please note a couple of them

--Chance and Puffum are our trusted equine partners.

They are hugged and loved by each rider, volunteer and instructor!

To do their job, their care must be the best at all times.

This includes: feed & hay, farrier work, veterinarian visits, etc. Costs are rising. Your help is needed here for

- To have 'top notch' volunteers!

Their desire to serve our riders comes through weekly with enthusiasm and eagerness to learn more ways to assist.

Do we have enough folks helping out?

Please go to our website www.lovefortherapeuticriding.org to see our center.

Visit our mission, the benefits of therapeutic riding, and see photos of riders, equines and volunteers. Time-talent-treasure, I just bet you can find a way to help us out in 2016!

Sincerely,

Denise K Bishop
